

# Livestock Officer – Global One

**Job Type:** Full-time

**Job Sector:** INGO

**Deadline :** 15.01.2023

**Position Title:** Livestock Officer

**Position:** 01

**Location:** Pabna (Char area)

**Duration:** 1 Year (high possibility of extension)

**Organizational & Project Overview:** Global One 2015, a UK based international development NGO with headquarter in London and registered country offices in Bangladesh, Kenya, Nigeria, Jordan, Somalia, Sri Lanka. We operate across Asia, Africa and the Middle East with communities focusing on Global Health, WASH, Food Security & Livelihoods and Emergency Response. Global One has been operating our Bangladesh Country Office since 2014. Here, we are working to develop sustainable and environmentally-conscious solutions to global poverty with communities and change-makers. In particular, we look to lead women on the path to their own empowerment, supporting improved outcomes in their health and development. In our Bangladesh Country Office currently we are running following projects: Rohingya Medical Aid, Cervical Cancer Screening, Women Livelihood & Entrepreneurship Program, Community Water Station, Box4Life, Dignity Kits, Orphan Sponsorship Project and food & winter cloth distribution to the vulnerable communities etc.

The group of people living in Bangladesh who are yet to taste the fruit of economic growth are the people currently living in isolated places like river islands locally known as chars. The project is designed acknowledging the fact that the first step towards women empowerment and gender equality is ensuring women's economic inclusion and productivity. Hence, focusing on the specific objectives and given rural and adverse nature of the targeted regions, the project identifies that the combination of goat rearing and homestead farming will provide sustainable income stream, ensure household food security & nutrition and most importantly will help in developing saving and asset building culture among poor disadvantaged women living in remote river islands in Bangladesh.
